Eibach Wins CarDomain.com's People's Choice Award for The 5th Straight Time!

For immediate release:

Further establishing its status as the world's premier source of high-performance springs and suspension components, Eibach Springs was again voted #1 in its CarDomain.com industry category—Best Suspension Upgrade—for 2010.

This makes it Five straight times that Eibach has received this honor—every year since 2005. (2008 did not include a Suspension Category)

CarDomain.com is the internet's most extensive social-networking site for auto enthusiasts, with over two million registered users. Over 300,000 members were polled for the 2010 edition of CarDomain's popular 'best of' ranking.

Eibach Springs crafts and tunes every **PRO-KIT** and Sportline spring set, **ANTI-ROLL-KIT** sway bars and **PRO-DAMPER** performance-tuned shocks to the same exacting standards that have made Eibach the go-to spring choice in top racing series all over the world, from NASCAR to Formula 1 to WRC.

Eibach's unyielding dedication to extreme quality and dominating performance can be summed up in one simple phrase—The Will To Win. It's also what inspired the enthusiasts of CarDomain.com to, once again, recognize Eibach as the undisputed #1 in the "Best Suspension Upgrade" category.

#1 Choice of Motorsport Champions and Automotive Enthusiasts Worldwide!
