

FOR IMMEDIATE RELEASE:
NEW—2013 Dodge Dart
Anti-Roll-Kit Performance Swaybars

For the ultimate in tunable suspension performance.

Complete your suspension upgrade with an Eibach Anti-Roll-Kit. While our Pro-Kit performance springs are regarded as the primary suspension enhancement components, the Eibach Anti-Roll-Kit allows critical fine-tuning of your Dart's handling characteristics.

Our Anti-Roll-Kits reduce body roll through increased design stiffness over stock bars. The result: increased handling and cornering grip in any performance-driving situation.

Manufactured from cold-formed, high-strength aircraft-grade steel for precision performance, and finished with a long-lasting red powder coat finish, the Anti-Roll-Kit comes complete with all necessary mounting hardware and instructions for easy bolt-on installation.
