

FOR IMMEDIATE RELEASE:  
**NEW—2015-UP SUBARU WRX**  
ANTI-ROLL-KIT Performance Swaybars

For the ultimate in tunable suspension performance.

Complete your suspension upgrade with an Eibach **ANTI-ROLL-KIT**. While our **PRO-KIT** performance springs are regarded as the primary suspension enhancement components, the Eibach **ANTI-ROLL-KIT** allows critical fine-tuning of your WRX's handling characteristics.

Our **ANTI-ROLL-KIT** reduces body roll through increased design stiffness over stock bars. The result: increased handling and cornering grip in any performance-driving situation.

Manufactured from cold-formed, high-strength aircraft-grade steel for precision performance, and finished with a long-lasting red powder coat finish, the **ANTI-ROLL-KIT** comes complete with all necessary mounting hardware and instructions for easy bolt-on installation.
